

OSIG Offers No-Cost Online Staff Training to Members Access to Award-Winning Safety & Compliance Training Management System

The Oklahoma Schools Insurance Group (OSIG) is pleased to offer complimentary access to Vector Training, an award-winning safety and compliance training management system with a variety of online courses to its members.

Trusted by thousands of educational administrators, Vector Training delivers high-quality, expert-authored courses on important safety and prevention topics. This convenient online system will streamline training and help save valuable time and money.

Automated Features Make Administration Easy

- Set up personalized training plans in minutes for groups of staff, new hires, or individuals.
- Keep everyone on track with email notifications and reminders of assignments.
- Track course completions in real-time.
- Receive compliance reports directly in your inbox.
- Integrate Vector Training with systems you already have in place through LDAP/Active Directory, Single Sign On (SAML Integration), and SCORM LMS.
